10 Quick Handball Rules

1. All players are required to wear gloves and protective eyewear.

2. A match consists of 2 games to 21 points with a tiebreaker to 11 if the first two games are split.

3. You must be serving to score points

4. Serves must be made from the service box

5. Server must bounce ball once before putting it into play

6. The serve must hit the front wall and cannot hit the ceiling at any time

7. A second service attempt is allowed if the first serve is a Fault
   a. Faults
      i. 3 wall serve
         1. A ball that strikes three walls prior to bouncing
      ii. Short serve
         1. A ball that bounces before passing the “short line,” the line that marks the back of the service box
      iii. Long serve
         1. A serve that strikes the back wall of the court before bouncing
   iv. Ceiling serve
      1. A serve that strikes the ceiling at any point after hitting the front wall

8. A ball that does not strike the front wall first is a “side-out”

9. You must return the ball before it bounces twice

10. A hinder (replay) is called when opponent impedes a players ability to hit or retrieve a ball.
